A toast to cohesion: The Ribeira Sacra D.O. toasts this Saturday at the “XXIX Mostra de Viños da Ribeira Sacra” in Pantón

The D.O. Ribeira Sacra joins this Saturday, May 11, the celebration of the D.O. Wine Day 2024. At 13:30 its president Antonio Lombardía will join the collective toast in which the 35 designations of origin from all over the country will participate simultaneously.

This toast, which will be hosted during the “XXIX Mostra de Viños da Ribeira Sacra” in Pantón, is organized by the “*Conferencia Española de Consejos Reguladores Vitivinícolas*” (CECRV). It aims to bring wine with designation of origin closer to the people and raise awareness about its positive impact on rural areas in Spain.

In this eighth edition of D.O. Wine Day, the focus will be on the contribution of wine DDOOs to the social cohesion of the territories in which they are located. Under the slogan “Designations of origin give life to our villages. Let's celebrate what unites us!”, a conversation will be promoted on social media with the hashtag #VINODOcohesionsocial.

In addition to the toast, the “Mostra de Viños de Pantón” will be full of activities such as live musical performances, awards ceremony of the Red Ribeira Sacra-Viticultura Heroica photo contest, wine tastings with D.O. in commented tastings and gastronomic pairings.
